Meet the Designers

Koncept was born in 2002 when industrial designer Peter Ng and his two sons, Kenneth Ng and Edmund Ng, joined forces in order to harness years of manufacturing and industrial design experience.

The Koncept team has since designed a range of products that have significantly influenced the LED task lighting industry. Their works have been featured in major press such as TIME Magazine, Oprah Magazine and Interior Design Magazine. Koncept has earned 48 international design awards to date, including the Red Dot Design Award, iF Design Award, and the Good Design Award.

Embracing modern, minimalist lines while maintaining rich functionalities, Koncept's designs strike the perfect balance between form and function.

Environmental Considerations

Fully recyclable aluminum
Water-based paint
LEDs do not contain mercury
Low power consumption
LEED credit eligibility

Details

3.9 W consumption
190 lumens
50,000 hours LED lifespan
2,700 K light color
Continuous dimming
5 hour battery life at highest setting
50+ hour battery life at lowest setting
5200mAh built-in battery
3.5 hours to full charge

Cordless & Convenient

Charge the built-in, powerful batteries using the USB port and enjoy the portability of a cordless light. The lamp offers 5200mAh of stored energy, so take it anywhere you go.

Charge on the Go

A convenient USB output port can charge your phone or other compatible device. That's great for camping trips!

Outdoor Glow

Using the included leather strap, hang Mr. GO! from a tree, an umbrella, or anywhere you need outdoor light. It's perfect for restaurants or backyard parties.
