Cleaning Guide

Suggested products tested on our shields

All shields were wiped dry with nonabrasive paper towels.

Recommended:

Foaming Hand Soap with warm water for 30 sec

Dawn Power Spray, rinsed with warm water

Plexi Clean – Available at Ace Hardware

Windex Vinegar – Regular Windex will damage shield

Not Safe for Use by Students:

Isopropyl Alcohol- has disinfecting properties, flammable

Cavi Wipes- not safe for use on skin, recommended gloves for use

Will Damage Shield:

Lysol wipes/Anti-microbial wipes

Hand Sanitizer

Ammonia Based cleaners
