

42" High Café Table

SMARTDESKS®

Wire Channel Leg

Power is routed from floor to DOCK 150 Charger through the wire channel leg with removable access door.

DOCK 150 USB and Wireless Charger

The wireless charger operates when DOCK 150 is flush and when popped up to access the 3 USB charging ports.

SPECIFICATIONS

This smart industrial design is the perfect statement for open collaboration spaces. Bold leg colors make a dazzling designer accent! Available in a range of top sizes.

- Height: 42"
- Top diameter: 30 | 36 | 40 | 48
- HPL Top | Matching PVC Edge Banding
- DOCK 150 installs in center cutout
