## COLLABORATIVE LOUNGE SEATING

As technology changes so does the traditional work environment. Spark creativity by attracting people to open lounge spaces to power and recharge devices. Allow users additional opportunities to stay constantly connected with the fast paced world around them while engaging in new multifunctional meeting and training areas.

POWER  
AND  
RECHARGE  
DEVICES

### ENHANCED USB CHARGING TECHNOLOGY

Powered 2.1A USB ports now charge your favorite devices while in use.

## BENCHING

Bring power and USB charging capabilities to the desk top keeping all your favorite devices charged while you work. Optimize work surface area by utilizing convenience outlets under the work surface for stationary accessories, such as monitors or lamps.

OPTIMIZE  
YOUR  
WORK  
SURFACE  
AREA

### CONVENIENCE OUTLETS

Convenience outlets are perfect for stationary accessories like lamps, computers, or monitors which do not need to be accessed often allowing more room to plug in mobile devices like laptops, tablets, and cell phones above the work surface where they are more easily accessible. Available on select models.

## TABLES

Available in over 20 configurations ranging from 1 power receptacle with 2 USB to 6 power receptacles with 4 USB and data capability, the Cove accommodates every application from small occasional tables to large conference tables and everything in between.

### SPILL RESISTANT RECEPTACLES

Protect against unexpected spills and provide freedom to mount the Cove face up in table surfaces.

## SOFT SIDED SEATING

Transform any soft sided piece of furniture into a dynamic collaborative work environment by blending power with USB charging to foster face to face interaction with others improving productivity and creativity.

### ROTATED RECEPTACLE ORIENTATION

Receptacles are strategically positioned to maximize the access of each unit accommodating large and small device plugs.
