

Focus Collection

SitOnIt • Seating™

Where comfort, style and ergonomics converge.

Focus | on a proven #1 seller

Our Focus family of chairs creates camaraderie within any setting, whether around a conference table, in a healthcare setting or at an educational facility. Superior comfort, superb ergonomics, extensive breadth of line, broad range of features and wide selection of options combine to make Focus the #1 choice for design, comfort and value.

*Seat: CF Stinson Lava Stream
Slate mesh, silver back support, adjustable arms, brushed aluminum base,
standard black casters*

Focus | on choice

Focus is a broad selection of executive, task, side and stool models in highback, midback, upholstered, mesh back and plastic back styles.

Focus Work - Midback

Focus Work

Combining outstanding ergonomics, exceptional comfort and a stylish aesthetic, the top-selling Focus Work is the core of the Focus seating family. Available with a full range of options, including mid and high-back variations, silver or black frames, plus a full range of arm and adjustable mechanism options, Focus Work is the ingenious solution to any office, conference or specialty space.

Focus | on collaboration

The sophisticated highback styling and tasteful aluminum accents of the Focus Executive is right for the head of the table or a senior manager's office. Focus Work highback mesh and midback mesh chairs offer superior long-term comfort in a collaboration environment.

Seat: Momentum Dive Black

Focus Executive: Black mesh, adjustable arms, polished aluminum base, standard black casters

Focus Work: Black mesh, silver back support, fixed arms, polished aluminum base, standard black casters

Focus Executive

With its aluminum accents, European styling and upgraded features, Focus Executive is the perfect seating option for managers, executives and conference spaces. Customize Focus Executive with an upholstered back, various arm options and an enhanced synchro mechanism, creating a chair that's worthy of the most successful executive.

*Seat: Momentum Course Pier
 Focus Executive: Black leather upholstered pad, adjustable arms*

Focus Work Task Stool

The task stool's smart mesh styling matches the Focus Work chair with the collection's signature sculpted back with integrated lumbar and unique Y-shaped back support. This stool is a comfortable complement to the collection and fits a variety of work settings from open offices to lunchrooms to workstations or wherever collaboration happens.

Seat: Green Hides Lena Caribe
Black mesh, adjustable arms, black base, standard black casters

Seat: Designtex Rocket Flame
Black mesh, armless, 4-leg, silver frame, casters

Focus Side

A versatile, high-performance guest seating option, the Focus Side chair combines the elegant design and remarkable comfort of the Focus Work chair with the convenience of a light, multipurpose stacking chair. Select from a silver or black frame and add arms, casters or a tablet to create the perfect chair for any corporate, educational or institutional application.

MODEL: Side **FRAME:** 4-leg, silver
TEXTILES: Slate mesh,
Maharam Medium Raven
OPTIONS: Glides

MODEL: Side **FRAME:** 4-leg, silver
TEXTILES: Black mesh,
Maharam Medium Furrow
OPTIONS: Arms, casters

MODEL: Side **FRAME:** 4-leg, black
TEXTILES: Slate mesh,
Green Hides Sierra White
OPTIONS: Tablet arm, glides

Besides the standard Focus mesh colors (black, slate and sand) the Focus Side and café stool are available in the same vibrant mesh colors as Amplify, making them the perfect complement to the Amplify task chair.

Seat: Designtex Sarong Black Lotus

Left to right: Focus sand mesh, Amplify mesh (navy, fog, fire), silver frame, armless, glides

Focus Side Café Stools

With two distinctive profiles to choose from, Focus Side stools are a versatile, elegant solution for any range of high-seating needs. For a convenient pull-up option, choose the four-legged café stool—available with or without arms. For a more functional swivel option, select the task stool with a full range of adjustability options.

Focus | on ergonomics

Start with integrated lumbar support. Choose a comfort and control mechanism that's just right for the job. Add a headrest, optional adjustable lumbar, seat depth adjustment or Heavy Duty 24/7 for three-shift applications. It's true: Focus is where comfort, style and ergonomics converge.
