Loci™ Library Study Carrels

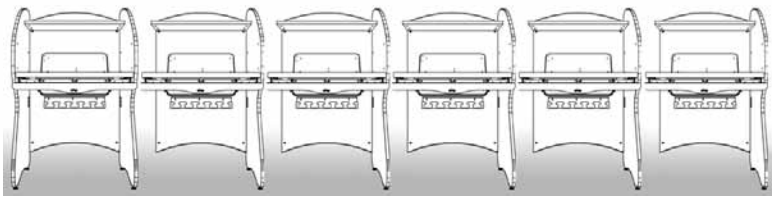
Multi-Height Setup Options— Endlessly Modular

This Loci™ Carrel with Add-On has flipIT® K19 Convertible LCD Workstation on left, shown in stowed position for use with textbooks; The same workstation is set at 36" standing height on the right side. The top shelf has been removed to allow room for the display.

Set at 28" desktop height, this Loci™ with Add-On has a flipIT® L18 Laptop Safe on the left side and Le Grip™ CPU holder on the right side. The top shelf has been eliminated for use with the LCD on its own stand.

This Loci™ Carrel with Add-On is set for the flipIT® K19 LCD Convertible Workstation at 30" desktop height on the left, and flipIT® L18 Laptop Safe at 28" desktop height on the right side. Also available without flipIT® products.

Privacy that looks appealing. Loci's sweeping lines give flow to the arrangement in your space.



Endlessly Modular Add-On Loci™ Carrels

Start with a stand-alone Loci™ and string as many Add-On Loci™ as needed for optimum use of space. Add-Ons are available for both single row and back-to-back Loci™ Carrels. Mix and match your configurations as desired for standing height, keyboard height or laptop height—with or without flipIT® 18 Laptop Safe or K19 for LCD workstations.

The Loci™ Back-to-Back Carrel is available as a stand-alone, or with Add-Ons, as shown. The flowing lines of Loci™ give privacy a pleasing presence. The privacy end may face an aisle, a wall, or have a single-row stand alone to make use of the space.

The Loci™ Back-to-Back Carrel with Add-On
is set at 30" desktop height, equipped with flipIT® K19 Convertible LCD Workstations. Each Loci™ desktop may be set at one of three heights: 28", 30" or 36", mixed or matched, with or without flipIT® products. Shown with LED task lighting option.

LED Task Light Specifications
12 inch strip, 27 LEDs 2 watts each, transformer, switches and mounting clips matched to installation requirements.

LED Task lighting gives effective lighting control, economical power usage, and friendly to use with displays of all kinds.

Loci™ Back-to-Back Carrels with Add-On demonstrate flipIT® K19 Convertible Workstation set at 30" desktop height on left, and 36" standing height on right without flipIT®. Each carrel space may be setup to mix or match.

Loci™ Carrels: General Specifications

Loci™ Carrel desktop is 26" deep and includes a wire management pass-through. The top shelf is 11" deep. Each carrel has one FC707 Power Supply with 3 power outlets and 1 powered USB Port for charging devices. Back panel has a WireWonder18 (17.625" long, rest transformers inside, wrap excess cable around mushroom posts). Wire management openings inside panels align with WireWonder18; surfaces finished with high-pressure laminate (or combination of laminate on horizontal surfaces, melamine on vertical surfaces) 3mm PVC edge trim. Desktop height repositionable for sitting or standing positions (28" and 30" for sitting, 36" for standing). Desktop height is determined and set at time of installation. Unit may be dis-assembled and reconfigured at different desktop height.

Loci™ Computer Carrels

Privacy never looked so good.
