

NeatTech

NeatTech is an innovative cable management solution that can be added to SMARTdesks tables, or your own existing furniture. A lightweight mesh basket, NeatTech stores power strips and cables neatly and safely off the floor. NeatTech features unique Velcro ties to secure wayward cables and offers easy access once installed.

Features

- Designed to support a total weight of 10 lbs (4.5 kg)
- Can be used in conjunction with Humanscale's Float and other workstations
- Available in two finishes: Gray with Gray trim and Gray with Red trim
- Simple installation template provided on packaging for quick, easy installation
