

NS Series Double Nesta Table

S P E C I F I C A T I O N S

SKU: NSF-602628-VFB-C

Nesta™ Laptop Tables simply plug together. They fold up for easy access to cables, for easy transport through doorways and efficient storage. They fold down for roomy support of laptops in the classroom. The structure is robust, built to stand up to physically demanding, institutional use. Perfect for spaces that need to quickly change functions, or for laptop classrooms that need to move to different spaces.
