

SMARTscreens™ OFFICE PARTITIONS

Freestanding Privacy Panels

Top Panel: Fabric or Frosted Acrylic • Bottom Panel: Fabric or Folkstone Grey
Aluminum Frames | Pewter Finish

SMARTdesks® Freestanding SMARTscreens™ are engineered to be light weight, durable and easy to install. These privacy screens come in a wide range of heights, widths and core options making it easy to create a custom configuration to fit the size and look of your current space.

They are great for constructing cubicles, workstations or study carrels for libraries and call centers.

Add support feet or mobile feet for freestanding partitions or hinge several partitions together to create work stations or room dividers.

Simple and easy to install - The same connector; our Universal Hinge Kit, allows you to create a 2-, 3- or 4-way connection and freely adjust the angle between connecting partitions.
