

RELAY®

Durable and adaptable
to the finish.

SitOnIt • Seating™

Great to look at.

Easy to store.

Relay takes its place as the most flexible chair in the room.

Relay. Comfort is Key.

Great to look at, Relay provides lasting comfort in a stylish design that makes an appealing multi-purpose seating option for meeting, training, conference and break rooms. The seat and back are molded from high-impact thermoplastic for lasting durability and comfort. Add the optional upholstered seat and back for a more sophisticated, inviting look and added comfort.

Durability

Like all SitOnIt Seating products, the Relay collection is built to last. Every component meets and exceeds ANSI/BIFMA standards. Further protecting your investment is SitOnIt Seating's standard lifetime warranty, which helps ensure complete satisfaction for years to come.

Greenguard Certification

All SitOnIt Seating products have been tested and certified by the GREENGUARD Environmental Institute and have met the rigorous criteria required by GREENGUARD Children & Schools in accordance with the Collaborative for High Performance Schools.

Sustainability

Our commitment to sustainability makes it easier to design and build green, or upgrade your facility to the latest environmental standards.

Indulge in options.

Customize Relay chairs with a durable 4-leg tube frame or task base. Specify the tube frame with glides or casters for increased mobility. A task version offers two control choices and comes standard with a high-profile base that complements Relay's sleek, slim appearance. Select from 16 designer plastic colors and pair with an attractive silver or black frame finish to complement virtually any décor.

Easy to store.

Relay is the most flexible chair in the room. Select the innovative nesting frame with casters and the versatile Relay easily transforms itself to accommodate compact storage by a simple flip of its seat. Nest with additional chairs for maximum density in limited space.

Features

- Collection features a task chair, side chair and multipurpose nester
- The vertebrae design of the outer back adds structural reinforcement and durability
- High-impact polypropylene for long-lasting durability and comfort
- Arm and armless styles stack 5 on the cart, 4 on the floor
- Wall-saver frame design minimizes scuffs and marks on walls
- Lifetime Warranty on all structural components
- 250 pound weight capacity
- All options and thousands of fabrics ship in 2, 5 or 10 days
